

Buser Implant Symposium

20 Years of Progress in
Implant Dentistry

Saturday, May 25, 2019
Congress Center Kursaal Bern

After 20 years of leading the Department of Oral Surgery and Stomatology, Prof. Daniel Buser will retire as Full Professor and Chairman at the University of Bern.

The School of Dental Medicine honors his achievements with his team in the field of implant dentistry with this 1-day Symposium.

The invited speakers are top class and will offer a superb overview of 20 years of progress in implant dentistry.

Prof. Dr. Dr. h.c. Anton Sculean
Executive Chairman, School of Dental Medicine, University of Bern
